Subject: Re: Community Forestry Master Plan extension through 2023

Good morning,

Thank you for confirming the acceptance of the CFMP extensions. We will make the update to our record on the new expiration date for the CFMP and the changes in contacts. The new expiration date for Newark's CFMP will be December 31st, 2023 . Please let us know if there is anything else you need or have questions on about our program.

Thank you,

Michael Martini

Subject: [EXTERNAL] FW: Community Forestry Master Plan extension through 2023

Hello Mr. Martini,

With the permission of Director Khalif Thomas, copied here, I am writing to accept the offer to extend the expiration date for Newark's Community Forestry Master Plan as detailed in the attached letter. Kindly update your records accordingly.

Would you kindly rely all to confirm the extension has been granted?

At your convenience, please also update your database of contacts to include the following individuals (in addition to the Mayor, of course). They serve as key contacts with regards to urban forestry management. I've included their titles and affiliation for your convenience:

- Khalif Thomas, *Director*, Department of Public Works
- Michael Greene, *Assistant Director*, Department of Public Works
- Hakim Durant, *Manager*, Department of Public Works/Division of Parks and Grounds
- Vickie Washington, *Tree Care Unit Coordinator*, Department of Public Works/Division of Parks and Grounds

The main line for the Department of Public Works Director's Office is 973-733-5485. The number for the Division of Parks and Grounds is 973-733-4755.

Warm regards,

Nathaly Agosto Filión

Subject: Re: Community Forestry Master Plan extension through 2023

Good morning,

Attached is the letter that was sent out about the CFMP extensions. Please let myself and Emily Farschon (cced in this email) is Newark is going to take the extension, as we are updating these item in our databases to help communities keep on track.

I noticed that Newark did not submit their Annual Accomplishment Report (AAR) for 2019. Here is the link to the AAR:

https://www.state.nj.us/dep/parksandforests/forest/community/AAR_2019_2.pdf

We are still accepting AARs at this time and are encouraging communities to complete these in order to receive accreditation with our program. It appears if Newark accepts the extension with their CFMP and completes the AAR, the community will be accredited for 2019.

Thank you,
Michael Martini

Subject: [EXTERNAL] Community Forestry Master Plan extension through 2023

Hello,

I hope this email finds you healthy and well during these challenging times.

I'm writing to kindly ask that you forward me an electronic copy of the letter informing the City of Newark about the extension granted for renewal of Newark's Community Forestry Master Plan.

I recently learned about the upcoming changes to the NJDEP's community forestry program, and informed that CFMP required renewals would be extended until 2023. I am concerned that the letter alerting the City of Newark went to a contact no longer serving in an urban forestry management capacity and would like to ensure the letter makes it to the appropriate contacts in the municipality.

Thank you in advance for your help.

Warm regards,
