## Avenel Performing Arts Center Red Carpet Opening

The Avenel Performing Arts Center (APAC) rolled-out the Red Carpet and welcomed theatergoers with a Grand Opening VIP Reception on April 10. The APAC - the region's newest performing arts center specially designed for theater, stage productions and special performances - stands as a multi-disciplinary facility.

This Pride of Avenel promises to energize the surrounding community by programming exceptional professional theater, music, comedy, dance and more.

The APAC features seating for 200 patrons, a separate performance room and a pre-function lobby area that opens to exterior space for larger gatherings and events. APAC also introduces Curtains Restaurant – a stand-alone dining destination serving an eclectic menu and available for catered pre-performance and special events.

APAC is possible through the Woodbridge Arts Alliance (WAA) - a 501(c)(3) organization dedicated to advocating, activating and animating Woodbridge as a regional destination for the Arts.

The APAC anticipates a leadership role in advancing the Township's art-driven economic plan, including enhanced arts programming and education representative of the diverse regional population.
