The screenshot shows the 'Members' page of the Madison Environmental Commission. The page features a navigation menu with options like 'Environmental Commission Calendar', 'Members', 'Forms & Documents', 'Backyard Composting', 'Holiday Tips', and 'Conservation Management Plan'. The main content area includes a breadcrumb trail: 'Home > Government > Boards & Commissions > Environmental Commission > Members'. The title is 'Members', followed by a paragraph explaining that the commission consists of 7 regular members and two alternate members, all appointed by the Mayor. Below this is a section for 'Member Biographies' featuring Claire Whitcomb, Chair, with a brief bio of her involvement since 2012 and her professional background.

The screenshot shows the 'Agenda Center' page. It includes a search bar for agendas with filters for 'Time Period', 'Start Date', 'End Date', and 'Word or Phrase'. Below the search bar is a table of agendas for the Environmental Commission for the year 2020. The table lists three regular meetings with their dates and times, and each entry has a 'Download' button for the minutes.
