*A substitute for Step 1 (above): Created a similar database of residents with disabilities and other access and functional needs, their location and needs	Y	Woodbridge has both a Code Red system as well as a Special Needs Registry for Disasters. The Township Office of Emergency Management manages both lists with the assistance of both the Department of Information Systems and the Township's Public Information Officer. The last Code Red message attempted 87,143 phone numbers. It also included 1616 emails. The message system had a 77% connection rate.
Developed a process to keep the database ("Register Ready or similar) updated	Y	Woodbridge has both a Code Red system as well as a Special Needs Registry for Disasters. The Township Office of Emergency Management manages both lists with the assistance of both the Department of Information Systems and the Township's Public Information Officer. The last Code Red message reached 26,534 phone numbers. It also included 1616 emails. The message system had a 77% connection rate.
Created a list of stakeholders with access to vulnerable residents that can help your town get word out to vulnerable residents. Stakeholders include (homeless shelter/senior center/hospital managers; faith based/civic association leaders, etc.)	Y	Family Success Center Woodbridge Housing Authority (Senior Centers) Woodbridge Inter-Faith Clergy Council
Developed a process to keep the stakeholder list updated	Y	The Mayor's Office and Police Department meet quarterly with the Inter-Faith Clergy Council. Additionally, Woodbridge staff and the Woodbridge Housing Authority have a previous working relationship. The Family Success Center, a state-funded center, has been a great resource for our community and is another outlet to identify community members with special needs for our emergency service registry.
