## Watchung Farmers Market to return starting June 1

By ALEX PARKER-MAGYAR Editor  
May 21, 2021

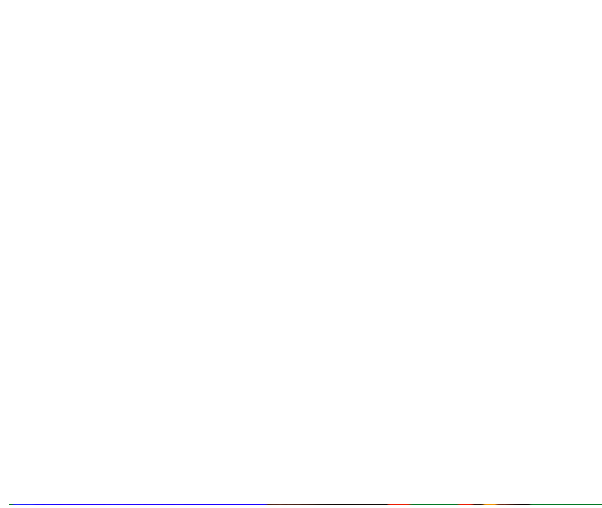

**WATCHUNG** - The borough farmers market will be back in business every Tuesday through October beginning June 1.

The market, which formerly operated in the Best Lake parking lot through 2017, will run from 4 to 7 p.m. Tuesdays in the parking lot of the police station at 840 Somerset Street.

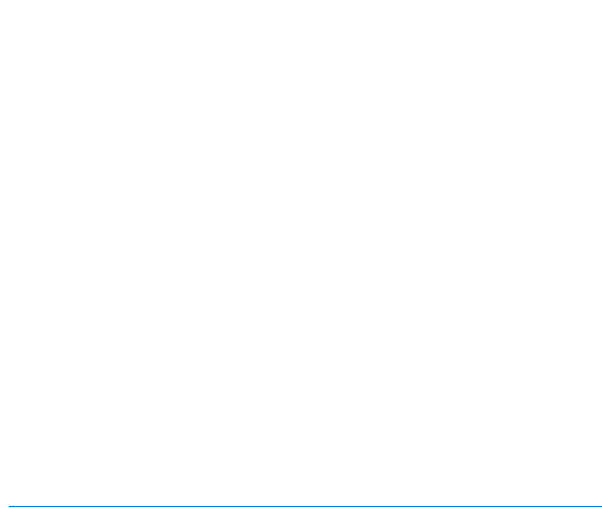

Borough Council President Wendy Robinson made the announcement at a virtual council meeting on Thursday, May 20.

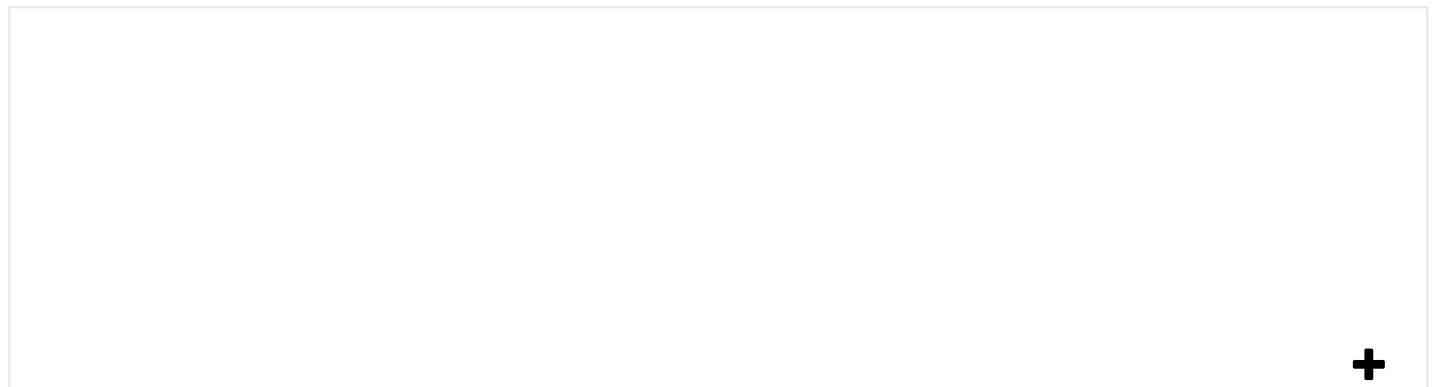

"We have a good number of vendors," she said, thanking borough officials for their efforts to restore the farmers market.

Robinson has previously stated the Watchung Green Team feels hosting the market on a weekday will attract vendors who are otherwise booked on weekends. Borough officials said the market was struggling to find vendors in 2017 prior to it being discontinued.
