

WHAT CAN I DO TO GET READY?

- ✓ **Assemble a Go Bag** with your ID, important papers, medication in labeled containers, and important contact information (cell phones may not work in a disaster). Keep your go bag updated.
- ✓ **Make a Household Plan** by going to www.ready.gov for checklists and preparedness guides. Your plan should identify evacuation routes and places to stay.
- ✓ **Make Plans for Your Pets** before an emergency and ask your local emergency manager about pet sheltering. A service animal with a current rabies vaccination will be permitted in shelters. For more tips, visit: <https://animalemergency.nj.gov>
- ✓ **Register with the Public Alert Systems** in your community (e.g. Reverse 911, Swift911, NJ 2-1-1, Nixle) through your county or local Emergency Management Office. Text "ReadyNJ" to 898-211 to get text alerts on how to prepare for emergencies and stay informed during the next disaster.
- ✓ **Inform your electric utility provider** If you have medical equipment that requires power.
- ✓ **Visit ready.nj.gov** today to better prepare for local disasters.
