Put your lawn mower to good use this fall... “mulch your leaves and go”!

Use your lawn mower to mulch your leaves where they fall.
You can then leave them on your lawn,
add them to your garden/flower beds
or put them in your compost pile.
BUT if you must bag them...

Starting October 1st leaf bags will be available at the Public Works Complex located at 225 Smith Street Keasbey. Only leaves in biodegradable paper bags will be collected. No plastic bags! Leaves placed in the street can be dangerous. They can clog storm drains and cause flooding, reduce the width of roads, and create hazardous driving conditions. If you are going to schedule a loose leaf pick-up, payment must be received and a pick-up date given, before any leaves may be placed at the curb.

Did you know.....that litter is smelly, dirty and can be unhealthy for our environment!
