

**RESOLUTION OF TOWNSHIP OF WOODBRIDGE  
TO ADOPT SUSTAINABILITY VISIONING GOALS & OBJECTIVES**

**WHEREAS**, the Township of Woodbridge has been actively promoting environmental sustainability for the health, safety, and welfare of Township residents, and the betterment of the natural environment; and

**WHEREAS**, a community sustainability visioning meeting was held on May 25, 2021 from 5:30am – 6:30pm at Woodbridge Township Town Hall, and broadcasted on local television Channel 35.

**WHEREAS**, the Township Green Team and Environmental Commission took part in hosting said public community visioning exercises whereby potential sustainability projects were mentioned by members of the community and showcased by the Township; and

**WHEREAS**, ideas from the public that centered on ways to fortify sustainability programs within the Township were documented as formal goals and objectives for future endeavors, Exhibit A attached.

**NOW, THEREFORE, BE IT RESOLVED BY THE MUNICIPAL COUNCIL OF THE TOWNSHIP OF WOODBRIDGE**, that the Township does hereby support and promote the goals and objectives as outlined during said visioning meeting.

**ADOPTED:** AUG 3 1 2021

I hereby certify that the above is a true and exact copy of the Resolution adopted by the Municipal Council of the Township of Woodbridge at their Regular Meeting held on AUG 3 1 2021.

## MEMORANDUM

**SUBJECT:** Woodbridge Green Team Presents: Sustainable Jersey Visioning Report 2021

---

We are pleased to offer the Sustainable Jersey Visioning Report & Strategies along with the enabling Resolution as adopted by the Municipal Council on August 31, 2021. The Visioning document results from a public meeting hosted by the Woodbridge Township Green Team and the Environmental Commission whereby conceptual sustainability projects were presented by and to members of the community and showcased by the Township. Such projects included, but were not limited to, bike lanes, a municipal bike share program, green infrastructure and a variety of sustainability actions which have gained success as a result of the last visioning project in 2017. Additionally, discussion was offered to include upland conservation initiatives, entry and continued success in the FEMA Community Rating System and energy efficiency upgrades and outreach programs.

The Woodbridge Township Green Team offers a grateful thank you for your input, participation and continued support of the Township's sustainability initiatives.
