Green Team Advisory Committee

Mission Statement:

The Bernards Township Green Team Advisory Committee will advise the Township Committee on ways to improve municipal operations with "Green" initiatives which are economically and environmentally sound through research and evaluation; "Green" practices will be incorporated into Township operations by the staff representatives.

Goals:

- Maintain certification in Sustainable Jersey program
- Advise on energy savings initiatives
- Advise on stormwater initiatives
- Maintain the Green Team website to create an up to date record of the Township's Green Initiatives and Accomplishments

Objectives:

- Collaborate with township employees, service providers and other governmental agencies to share resource information and ideas consistent with the Mission of the GTA
- Encourage participation of all employees to solicit ideas on green initiatives
- Research and analyze green initiatives which make practical environmental and financial sense
- Develop strategies for sustainable green initiatives in municipal operations
- Consider energy use and carbon footprint calculations in proposed initiatives, projects and purchases
