Re: Paper Shred Tonnage

Please let this letter serve as certification that 13,370 pounds of paper was collected at the shred event held at the Department of Public Works on June 12, 2021. Of the 270 residents that attended, 161 or 60% were residents of Woodbridge.

This tonnage should be incorporated into the annual tonnage report you prepare for Woodbridge and submit to the NJ Department of Environmental Protection.

Please call me if you have any questions.

Thank you for your cooperation and assistance.
