times the amount of trucks to deliver the same quantity of bags, resulting in increased truck traffic and diesel emissions.

The statewide ban on disposable bags goes into effect on May 4, 2022 and will create an effective and uniform sustainable policy for all shoppers and business owners in NJ. Reducing waste and litter statewide is a good thing: "This smart, uniform statewide law preempts all local ordinances." said New Jersey Food Council CEO Linda Doherty, who is also president of the

New Jersey Clean Communities Council.
