What's Happening

Bicycle & Pedestrian Audit

Thank you to everyone who filled out the survey and came to the field audit earlier this year! The results were presented to officials and a recording of the meeting can be found on the website. Look out for the report next month!

Adopt-A-Storm Drain

Help create cleaner waterways and healthier communities by adopting a storm drain near you. Volunteers keep their storm drains clear of leaves, trash, and other debris. Bags, gloves, vests, rakes, and other necessary tools can be provided.

Green Infrastructure

We are working with the Water Resources Program at Rutgers to create a Green Infrastructure Strategic Plan for the Township. A draft of the plan can be found on the website.

Monthly Newsletter - September 2021

What's Happening

Art in the Park

The Green Team shared information on how to be more sustainable at Art in the Park. We gave away 50 reusable bags to residents who pledged to not use single-use plastic bags and had a lot of fun with the kids decorating our rain barrel.

What is Green Infrastructure & Why It's Important Presentation

Dr. Obropta had township committee members and residents alike in awe with how green infrastructure works and how it could help the township save money in the long run and help the environment. Next steps are to get some of the recommendations implemented.

April Pop-Up Clean-Ups

Thanks to everyone who helped us celebrate Earth month by coming out to our clean-ups! Together we were able to collect 35 bags of trash, 16 bags of recycling, and other debris, including 3 barrels, 3 TVs, construction debris, tires, and a dresser.

What's Happening

Green Fair

Mark your calendars for the annual Green Fair hosted at Oakcrest High School. If you're interested in vending/exhibiting or volunteering, please email sustainable.hamilton.greenteam@gmail.com

Plastic Bag Ban

NJ's plastic bag ban is the strictest in the nation as it goes one step further and also bans grocery stores from giving or selling paper bags too. Instead, they can give/sell reusable bags. Learn more [here](#).

Join a Committee

We've formed four new committees! If you'd like to join one, you can email sustainable.hamilton.greenteam@gmail.com or talk to a committee leader at a Green Team meeting. If you don't see a committee that you'd like to join, consider starting your own!

The Green Fair Committee coordinates with vendors, plans activities, and helps execute the event. Join this committee if you want to play a bigger part in this annual event!

Join the Creative Team if you want to connect art and sustainability to create a more vibrant community! From painting murals to beautifying store fronts, we want to hear your ideas!

If you're into picking up trash and want to organize clean-ups for other people to join you, then join the Clean-Up Committee!

If you want to help spread the word about Green Team events and general sustainability news, hop on the Marketing Committee! We send out newsletters, coordinate with media outlets, and post on Facebook, but we're always looking for more ideas.
