### Description

The National Prescription Drug Take Back Day addresses a crucial public safety and public health issue. According to the 2019 National Survey on Drug Use and Health, **9.7 million people misused prescription pain relievers, 4.9 million people misused prescription stimulants, and 5.9 million people misused prescription tranquilizers or sedatives in 2019.** The survey also showed that a majority of misused prescription drugs were obtained from family and friends, often from the home medicine cabinet.

The DEA's Take Back Day events provide an opportunity for Americans to prevent drug addiction and overdose deaths.

Dispose of your unused and expired medications on Saturday, April 24th from 10am - 2 pm at participating dropbox locations. Bernards Township has a dropbox located at the Bernards Township Police Station at 1 Collyer Lane, Basking Ridge, NJ.

For more information about what you can dispose of in drop boxes [click here](#).
