

Woodbridge Township Creative Placemaking Plan – 2022 Update

2022 Enhance Art-based Educational Opportunities

Emphasis placed on outreach and engagement tied to broadening opportunities for theater classes, art-based education, cultural arts, and pop-up art exhibits.

Fall 2022 – Winter 2023

Conduct outreach meetings over the fall/ winter of 2022 -2023 and discuss proposed adaptive techniques to engage artists that might be disproportionately impacted or otherwise abled, and as such may not be aware of program or have adequate access to events or classes

Spring 2023

Examine additional ways to incorporate art and culture into outdoor exhibits. Outreach and art contests for incorporating nature-based techniques into the proposed living shoreline and educational viewing boardwalk platform.

Fall 2023 – Winter 2024

Create educational workshops that help guide artists with regard to re-using materials and creating recycled art.

Spring 2024

explore ways to incorporate light and sculptures into existing outdoor concert stages and spaces throughout the Township.
