SUSTAINABLE JERSEY

Mission

Empower New Jersey communities to build a better world for future generations with the tools, training and financial incentives necessary to pursue critical sustainability initiatives.

5 highly ranked health related issues that surfaced during the Local Health Assessment process

READ THE
DRAFT ACTION
PLAN HERE

"A Better
Tomorrow, One
Community at a
Time"

Gold Star Standards

All certified municipalities are eligible to earn Gold Star recognition for reaching high levels of achievement in key dimensions of sustainability. Gold Star Standards establish the specific actions and levels of performance that support what we need to achieve as individual communities and as a state, as defined in the 2015 Sustainable State of the State Report. The award of a Gold Star indicates that a municipality is making an effective, fair and timely contribution to the collective achievement of our sustainability goals.

Gold Stars are awarded for individual dimensions of sustainability. Currently there are Gold Star Standards in Energy, Health and Water.

1. Mental Health

During the covid-19 pandemic mental health emerged as a sometimes quiet but persistent issue that is personal and internal as well as external and impacted by outside forces. The Sustainable Jersey team realizes that this issue is one that needs to be addressed through on-going comprehensive programs and outreach. The Team created a survey to distribute in schools in order to better understand the impacts and needs.

2. Vaping

The Sustainable Jersey team thought critically about the term 'healthy food' and where dietary needs and nutritional value could be met in relation to local establishments that readily sell said goods. It became apparent that vaping related items were at times rather abundantly accessible at or near some of the same establishments.

3. Persons without Health Insurance

This often creates a driver towards emergency medical care when preventative treatments are economically infeasible. In response to these findings the health team proposed 'pop-up' clinics within disproportionately impacted areas of the Township as per analysis from the Robert Wood Johnson Health Needs Assessment for Middlesex County.

4. Wellness and Aging & Access to Environmentally Friendly Equitable Interconnected Transportation

As a result of interest from local residents and businesses it became evident that looking more broadly at community wellness and transportation connections proved to hold merit. The team examined ways to ensure wellness and aging in addition to innovative ways to enhance connectivity between places of interest and balance was emphasized on ways to best ensure a range of wellness activities for all ages while enhancing better interconnectivity to transit locations and through more carbon-emission transportation.

5. Vulnerable, Underserved, and/or Disproportionately Impacted Population

Unhoused, unemployed and average income were statistics within the local health assessment that caused the health team to take action. As climate change makes our storms, summer heat, and winter weather more intense, the Health Team realizes that these impacts are felt most by the aforementioned persons of the population.

Health &
Wellness

What should I know?

In order to improve the quality of life for all individuals Woodbridge Township promotes wellness, physical fitness, mental health and overall healthy lifestyles. Through community partnerships and supportive programs the Township is committed to providing healthy options for mobility, recreation and physical activity.

Health and well-being are at the core of nearly every community and economic endeavor.

Why is it important?

⇒ Improving equitable health opportunities correlates directly with access to affordable and sustainable transportation. In order to address this important element of community health, the Township will be expanding its **FREE Bike sharing program** in the spring of 2022!

⇒ Health covers many disciplines from physical fitness to environmental stewardship. The Mayor's Health and Wellness Campaign

Safe Bicycling

What should I know?

⇒ May is National Bike Month! Bike month was established in 1956 and is a chance to showcase the many benefits of bicycling. You can celebrate bike month with the new **FREE Greenable Woodbridge bike share program!** Download the **FREE Movate App** to get started!

⇒ Drivers in New Jersey are now required to approach and pass vulnerable road users i.e. pedestrians, cyclists, scooters and people in wheelchairs, with "due caution." "Due caution" means both slowing down and giving the other user

Why is it important?

⇒ The New NJ Safe Passing Law means motor vehicle drivers must follow all current no-passing, no speeding laws AND move over a lane if there's one to move into. On a single-lane road, drivers must allow at least a 4-foot safety zone when they pass. If 4 feet is not possible on a section of road, drivers must slow to 25mph and be prepared to stop until they can pass safely without endangering those sharing the road.

⇒ Safe bicycling is an important facet of mobility, public health, and sustainability.

Health & Wellness

What should I know?

⇒ In order to improve the quality of life for all individuals Woodbridge Township promotes wellness, physical fitness, mental health and overall healthy lifestyles. Through community partnerships and innovative support programs the Township is dedicated to providing healthy options for mobility, nutrition, recreation and physical activity.

⇒ Health and well-being are at the core of nearly all decision-making, and working towards an enhanced culture of health within Woodbridge provides for a more inter-connected sense of place and community.

Why is it important?

⇒ Improving equitable health opportunities correlates directly with access to affordable and sustainable transportation. In order to address this important element of community health, the Township will be expanding it's [FREE Bike sharing program](#) in the spring of 2022!

⇒ Health covers many disciplines from physical fitness to environmental stewardship. The Mayor's Health and Wellness Campaign Committee ensures a healthy community for all! Learn more [HERE](#).

How can I get involved?

⇒ Click [HERE](#) to learn about how water quality impacts environmental health, and the ways that you can help ensure that only rain goes down our storm drains.

⇒ The Woodbridge Township Mayor's Council on Physical Fitness & Sports, in conjunction with the Mayor's Wellness Campaign, is offering grants to individuals and organizations implementing an Innovative Wellness Project. To learn more click [HERE!](#)

Reminders!

⇒ The Middlesex County Food Organization and Outreach Distribution Services helps food security & provides access to nutritionally healthy food. To learn more Click [HERE!](#)

Greenable Topic

Mental Health

What should I know?

- ⇒ Healthy natural environments enable good mental health conditions. Environmental threats to mental health include factors like pollution, extreme weather, and equitable access to nutritious food sources. Mental health also plays a role in perception and a sense of place within a community.
- ⇒ Mental health and well-being are at the core of Woodbridge Township's strategies for providing an inter-connected, inclusive, and environmentally conscious community. For instance, the Township is making these strides by [reducing non-point source pollution](#), and enhancing [nature based recreation](#).

Why is it important?

- ⇒ The effects of our changing climate include severe and volatile weather patterns influencing mental health stressors. Acting on ways to [mitigate these threats](#) physically reduces potential human vulnerability to storm damage and mentally helps to reduce trauma tied to these events.
- ⇒ Environmental factors like greenhouse gases can impact physical and mental health. The Township's [alternative fuel vehicle infrastructure planning](#) seeks to combat tail-pipe emissions through EV Charging & [Bike Sharing!](#)

How can I get involved?

- ⇒ Addiction and substance abuse severely impacts physical and mental health. [Woodbridge Township's Addiction Services Division](#) encompasses Prevention, Intervention, Treatment and Recovery Support.
- ⇒ Woodbridge Township's Health Task Force invites you to take its Community Health Survey! Your thoughts will help us to consider implementing future innovative wellness projects! To take the survey click [HERE!](#)

Reminders!

- ⇒ Celebrate our natural environment at our Earth Day / Arbor Day Fair on April 23rd in Town Hall's parking lot! Remember a healthy planet can lead to a healthier mind. Click [HERE!](#)
- ⇒ The Woodbridge Department of Health and Human Services offers a wide array of programs and services. Learn more [HERE](#). The Department also offers health conferences, and screening services. A healthier body can help impact a healthier mind. Learn more [HERE](#).

- ⇒ Join the Safe Passing Law Awareness [Campaign](#) During Bike Month!
- ⇒ Woodbridge Township's Health Task Force invites you to take its Community Health Survey! Your thoughts about topics like zero emission transportation networks and safe bicycling will help us to consider implementing future innovative wellness projects! To take the survey click [HERE!](#)
- ⇒ [TAKE THE NATIONAL BIKE CHALLENGE!](#)

Reminders!

- ⇒ Bike to Work Week 2022 will take place May 16 - 22, 2022, and Bike to Work Day is on Friday, May 20! Click [HERE](#) to learn more!
- ⇒ The FREE Woodbridge Bike Share program is currently active at eight different locations within the Township! Learn more about how to ride a bike using the Woodbridge Bike Share program by clicking [HERE](#).
- ⇒ Biking instead of driving reduces the dependency on carbon-emitting vehicles. Learn more [HERE!](#)

June, 2022

Greenable Topic

Resiliency

What should I know?

⇒ Atlantic hurricane season extends from June 1 to November 30th. NOAA's [Climate Prediction Center](#), a division of the National Weather Service, are predicting above-average hurricane activity this year — which would make it the seventh consecutive above-average hurricane season.

⇒ The Township has approximately 3,000 acres of regulated floodplains. It does not take a full-scale hurricane to cause flooding. FEMA notes that only two feet of moving water can sweep a car away. Never drive down flooded roadways.

Why is it important?

⇒ Nuisance flooding during full-moon high tides, heavy rain events, and strong coastal surges during storm seasons have been increasing in velocity, frequency, and intensity. In addition, climactic shifts due to an increase in greenhouse gas emissions continue to show flooding issues climbing higher than predictions.

⇒ Protecting and enhancing natural floodplains provides for many benefits like better ecology and community health. [Learn more](#) & take our Health Survey [HERE](#).

How can I get involved?

⇒ The [Woodbridge Water Story Survey](#) helps educate residents about the fate and transport of water, recreational aspects of water within and near the community, and outreach in relation to ecology, flood risk, and watersheds. It also invites residents to offer thoughts about the Township's proposed actions to best address the matters identified in the Water Story. Read the water story [HERE](#). Watch the Water Story [HERE](#)!

⇒ Review the Township's Floodplain Management Plan's Progress Report [Video](#).

Reminders!

⇒ Most homeowner's insurance policies do not cover flooding. Check with your insurance provider to learn more and visit www.FloodSmart.gov

⇒ The Division of Engineering provides free FEMA Flood Insurance Rate Map (FIRM) determinations based on a street address and offers information on floodways, limits of wave action, state protected natural areas, NOAA sea-level-rise data, historical extents of flood inundation (when available), and flood depths based on flood profile modeling. Learn more [HERE](#).

July, 2022

Greenable Topic

Social Impacts of Health

What should I know?

⇒ [Social determinates of health](#) are inclusive conditions tied to the areas where we live, work, recreate, and age. These factors can influence health related behaviors that are often known as the upstream impacts of health. Understanding these distinctions help to better define comprehensive community health care and address the impacts of any root cause of concern.

⇒ Woodbridge Township undertook a [local health assessment](#) process whereby social determinates of health data were examined in relation to all ten towns in the community. By doing so we developed an action plan in order to enhance community wellness.

Why is it important?

⇒ Comprehensive strategies to address health through planning and prevention creates the ability to impact social conditions like food and nutrition, access to health care, and equitable connections to transportation and social services. [Community-based approaches](#) designed to address underlying causes of health disparities improves previously pervasive social conditions impacting long-term health.

⇒ By addressing social determinates of health as a [community](#) it provides for more informed health decision-making and broader awareness of how individual and collective behavior impacts wellness.

How can I get involved?

⇒ Difficulty accessing healthy food is often felt first and worst by vulnerable populations of the community. Each of the Township's community gardens is organized through a sponsor and the Division of Health and Human Services. Harvested food is donated to We Feed Woodbridge Food Pantries. Click [HERE](#) to learn more and help.

⇒ [Take the Community Health Survey!](#) Your thoughts will help us to consider implementing innovative community wellness projects!

Reminders!

⇒ [Mental health](#) and inclusive community well-being are at the core of Woodbridge Township's strategies for providing a more sustainable community. To learn more click [HERE!](#)

⇒ The Woodbridge Department of Health and Human Services offers a wide array of programs and services. Learn more [HERE](#). The Department also offers health conferences, and screening services. A healthier body can help impact a healthier mind and community. Learn more [HERE](#).

The following is a short survey composed of 6 multiple choice questions and 1 optional open ended question about student mental health. The responses will be completely anonymous and will be collected for data & applied to Woodbridge Township's Sustainable Jersey Program.

1. In the past 3 months, have you felt as though social media has impacted your overall mental health and well-being?
 - a. Yes
 - b. No
 - c. Unknown
2. In the last 3 months, have you engaged in/experienced any of the following due to poor mental health?
 - a. Smoking- E-cigarette or tobacco use
 - b. Risky sexual behavior
 - c. Drug use/ Alcohol use
 - d. Disordered eating
 - e. Self-harming behaviors
 - f. Change in relationship dynamics
 - g. Poor self-perception due to sexual identity

The following is a short survey composed of 6 multiple choice questions and 1 optional open ended question about student mental health. The responses will be completely anonymous and will be collected for data & applied to Woodbridge Township's Sustainable Jersey Program.

3. How many times a week would you classify yourself as feeling sad, depressed, or anxious?

- a. 0-1
- b. 2-4
- c. 5-7
- d. 8 or more times a week

4. Do you feel as though you have a strong support system?

- a. Yes- family
- b. Yes- friends
- c. Yes- School support staff
- d. Yes- outside organizations/counselling
- e. No

5. Do you believe that your school offers effective resources for mental health?

- a. Yes
- b. No
- c. Somewhat
- d. Unknown

The following is a short survey composed of 6 multiple choice questions and 1 optional open ended question about student mental health. The responses will be completely anonymous and will be collected for data & applied to Woodbridge Township's Sustainable Jersey Program.

6.If you selected no, what do you feel your school could be doing in order to improve the mental health and wellbeing of students?

Local Health Assessment Community Survey Questions

The purpose of this survey is to find out how you feel about your community and what you think is needed to make your community a healthier and more equitable place to live, work, and play. Your views are important to us. All of your responses will be kept private. This survey will take about 10 minutes to complete.

TRANSPORTATION

Fill in the corresponding bubble. All questions refer to your entire town unless otherwise stated.

1 = Strongly Disagree, 2 = Disagree, 3 = I Don't Know, 4 = Agree, 5 = Strongly Agree

Stores, banks, markets, concerts, other cultural events, work, shopping, or other places I need to go are within safe walking distance (1 mile or less) of my home, or getting to and from these destinations is convenient via public transportation.

	1	2	3	4	5	
Strongly Disagree	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Strongly Agree

There are convenient special transportation services for seniors and people with mental and/or physical disabilities in my neighborhood.

	1	2	3	4	5	
Strongly Disagree	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Strongly Agree

FOOD

Fill in the corresponding bubble. All questions refer to your entire town unless otherwise stated.

1 = Strongly Disagree, 2 = Disagree, 3 = I Don't Know, 4 = Agree, 5 = Strongly Agree

Fresh fruits, vegetables, and healthy food choices in good condition at affordable prices and can be found in stores locally.

	1	2	3	4	5	
Strongly Disagree	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Strongly Agree

The food pantry, food bank, or soup kitchen in town is open during times when I can go, and I know where to go during an emergency if I need help getting food for me or my family.

	1	2	3	4	5	
Strongly Disagree	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Strongly Agree

HOUSING

Fill in the corresponding bubble. All questions refer to your entire town unless otherwise stated.

1 = Strongly Disagree, 2 = Disagree, 3 = I Don't Know, 4 = Agree, 5 = Strongly Agree

Safe and well-maintained housing is available in town for people who need it, and for people who are living without any [or much] money to spare each month.

	1	2	3	4	5	
Strongly Disagree	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Strongly Agree

WELLNESS AND RECREATION

Fill in the corresponding bubble. All questions refer to your entire town unless otherwise stated.

1 = Strongly Disagree, 2 = Disagree, 3 = I Don't Know, 4 = Agree, 5 = Strongly Agree

There are free or low-cost entertainment and recreational activities offered in town, such as cultural events (art shows, concerts, street fairs) held in town that people of all ages, races, and ethnicities can enjoy.

	1	2	3	4	5	
Strongly Disagree	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Strongly Agree

If medical treatment is needed, the people I live with and I know how to get to a doctors' office, a hospital or urgent care clinics in town.

	1	2	3	4	5	
Strongly Disagree	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Strongly Agree

SAFETY AND COMMUNITY

Fill in the corresponding bubble. All questions refer to your entire town unless otherwise stated.

1 = Strongly Disagree, 2 = Disagree, 3 = I Don't Know, 4 = Agree, 5 = Strongly Agree

I feel safe to walk in my neighborhood at night, and police are doing a good job to keep residents safe.

	1	2	3	4	5	
Strongly Disagree	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Strongly Agree

I know where to go for emergency shelter during an emergency. For example, during severe storms, floods or fires.

	1	2	3	4	5	
Strongly Disagree	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Strongly Agree

PUBLIC ENGAGEMENT AND COMMUNICATION

Fill in the corresponding bubble. All questions refer to your entire town unless otherwise stated.

1 = Strongly Disagree, 2 = Disagree, 3 = I Don't Know, 4 = Agree, 5 = Strongly Agree

Residents of all races and ethnic backgrounds are able to share their ideas at governing body meetings, join municipal boards and committees, and access information in a language that is understood best and / or spoken at home.

	1	2	3	4	5	
Strongly Disagree	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Strongly Agree

What do you think rank as the top three (3) most important things that get in the way of people staying healthy in Woodbridge Township?

Please select only your top five options from the list below

Your answer

How many programs and services are you aware of that Woodbridge Township offers to address the top three (3) issues you identified above? Please list the names of such programs and services if you can.

Your answer

What are your top three (3) favorite things about living in your neighborhood (please tell us which of the 10 Woodbridge towns that you reside in)? Please note only your top three (1 means the favorite in your opinion)

Your answer
